Thank You Parents!

As the school year comes to an end, we wish to extend our sincere appreciation to our wonderful parents who have supported our students success this school year.

Parental contributions have been made in so many, many ways. Attending field trips, photocopying, providing snacks and resources, ensuring homework was completed, serving on SOT, PTA and committees and supporting our work in countless ways.

Thank you in advance for providing enriching experiences for your children over the summer to foster their curiosity and further their love of learning.

For families leaving our school, we wish you all the best, especially our fifth grade students moving onto middle school. In calendaring, the first day of the 2018-2019 school year begins on August 13th. Enjoy the summer break.
